APPLICATION

9050-65530

Honorable James H. Welsh
Commissioner of Conservation
P.O. Box 94275
Baton Rouge, LA 70804-4275

Re: Cotton Valley Formation, Reservoir A
Hosston Formation, Reservoir B
James Lime Formation, Reservoir A
Indian Creek Field
Jackson Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DEVON ENERGY PRODUCTION COMPANY, L.P.** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of orders concerning the following matters pertaining to the **Cotton Valley Formation, Reservoir A**, the **Hosston Formation, Reservoir B**, and the **James Lime Formation, Reservoir A**, all in the **Indian Creek Field**, Jackson Parish, Louisiana, to-wit:

1. To establish rules and regulations and create nine (9) drilling and production units for the exploration for and production of gas and condensate from each of the respective formations;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;

3. To designate a unit well for each of the proposed units, if appropriate;
4. To designate Devon Energy Production Company, L.P. as the unit operator for each of the proposed units, if appropriate;
5. To provide that any wells drilled to each of these reservoirs should be located in accordance with the spacing provisions of Statewide Order 29-E;
6. To provide that the Commissioner of Conservation should be authorized to reclassify each of the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Cotton Valley Formation, Reservoir A, in the Indian Creek Field, Jackson Parish, Louisiana, is hereby defined as being that gas and condensate bearing formation encountered between the depths of 11,175 feet and 14,920 feet, electrical log measurements, in the Anadarko (Crystal) - Davis Bros. E No. 1 Well, located in Section 16, Township 16 North, Range 2 West, Jackson Parish, Louisiana.

The Hosston Formation in the Indian Creek Field, Jackson Parish, Louisiana, was previously defined in Office of Conservation Order No. 1177, effective April 2, 1982.

The James Lime Formation, Reservoir A, in the Indian Creek Field, Jackson Parish, Louisiana, is hereby defined as being that gas and condensate bearing formation encountered between the depths of 6,850 feet and 7,078 feet, electrical log measurements, in the Phillips – Tremont No. 1 Well, located in Section 15, Township 15 North, Range 1 West, Jackson Parish, Louisiana.

No conference to discuss the proposed application was held, as none was requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting Frank W. Harrison, Jr., 200 Audubon Blvd., Lafayette, Louisiana 70503 (337-232-4031).

There is attached hereto and made a part hereof plats outlining the proposed units and a list of the names and addresses of the interested parties to whom this

unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$2,265.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,

RANDALL C. SONGY

Office of Conservation

Interested Owners, Interested Parties
and Represented Parties

P.S. To all Interested Owners, Interested Parties and Represented Parties:

You may have received this Application even though your property is not included in the proposed unit, because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed units. In some cases, the area proximate to proposed units can extend as far as one-half mile outside the unit boundary.

Your receipt of this Application does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.
